# HOW IT WORKS

## Site Assessment

Contact us for a site assessment. Our UGE Partner network spans the globe; we will work with you to analyze your needs and answer all your questions.

## Customize Your Solution

Following a site assessment, your local UGE Partner will guide you in determining the appropriate wind/solar system to match your energy requirements.

## Permitting & Installation

Our certified installers will see your project through from concept to completion. Leave the details to us.

## Sit Back & Watch

Your new energy system will demonstrate your commitment to going green, as it offsets your consumption. **viewUGE**<sup>™</sup> software allows you to monitor energy production and consumption in real-time from anywhere in the world.
